

A few EAA 154 members out for the first build session on the CH701

I welcome any input EAA and COPA members might have for future issues, I can be reached via email at wood23@sasktel.net, by phone 306-751-1064

Ron Wood

EAA 154 CH701 Project

We have had two build sessions on the CH701 project so far with good turn out from the membership. The rear fuselage is coming together nicely, the plans and Home Built Help video are easy to follow and the build so far has been straight forward. Regardless of your skill level or past experience I encourage you to come out and participate.

Next build session is Saturday Aug 26 9:00 to 12:00 AM in Wayne Runyon's garage; 233 Hanley Cres.

Everyone is welcome to attend or drop by during the morning session.

EAA 154 on Facebook

I have setup an EAA 154 Regina and South Saskatchewan Facebook group. This is a public group and anyone is free to join. The purpose of the group is to share photos and posts on chapter events. Anyone can make posts to the page so feel free to share your pictures and comments.

If you are a Facebook member the group can be found by searching for EAA Chapter 154 on the Facebook search at the top left of the screen.

EAA Name tags

EAA Chapter 154 name tags are available to order from Bazaar and Novelty in Regina for a cost of \$8. Thanks to Jim Parr for setting this up.

To order contact Bazaar and Novelty, 2361 2nd Ave. Regina, 306-525-3541. Email bazaar.trophy@myaccess.ca

Mailing List Clean-up

Our mailing list includes a number of past members that have not renewed their EAA 154 membership for some time. I hope some of you would consider rejoining the chapter. I will be cleaning up the mailing list in October and removing those who have not renewed.

Also as COPA Flt 4 is, for the most part, inactive these days I will be separating that mailing list from this newsletter.

Membership in EAA 154 is open to anyone with an interest in aviation and costs \$25 per year. Membership runs from Oct. 1st to Sept 31st. A free 6 month trial membership is available to new members.

See our web page for the membership form <http://www.154.eaachapter.org/>

EAA 154 Annual General Meeting and Banquet

Mark **Oct 15th** on your calendar for the Annual General Meeting 1:00 in the classroom at the Regina Flying Club. The Banquet will be at the Royal Regina Golf Clubhouse starting with cocktails at 6:00.

Note these events are taking place on a **Sunday** this year due to availability at the Royal Regina Golf Clubhouse.

Disley Hanger Space

Ron and Vic still have an empty T-hanger for rent at the Disley airstrip (CDS2). Nice grass runways (11-29 2270 feet, 17-35 1137 feet) and no tower to deal with.

The runway is kept open most winters depending on snowfall amounts.

Contact Vic Zubot 306 731-2249, email vic.zubot@imagewireless.ca for more info.
