

Seasons greetings from EAA 154 and COPA Flight 4.

After many years of editing and producing the Leading Edge our editor has decided to pass on the torch. I will be attempting to take over the left seat for Malcolm, please be patient as I go through the learning curve. First off I would like to thank Malcolm for all the great work and informative episodes of the Leading Edge.

I would also welcome any input EAA and COPA members might have for future issues, I can be reached via email at wood23@sasktel.net, by phone 751-1064 or mail 2434 Bolen Bay, Regina, S4V 0V6.
