

Another long cold winter is behind us, time to get back in the air and enjoy some warm weather flying. Be sure to check out the fly-out opportunities at Disley for late April and early May.

I welcome any input EAA and COPA members might have for future issues, I can be reached via email at wood23@sasktel.net, by phone 306-751-1064

EAA 154 News

Disley Fly-in Opportunity Sunday April 27th

EAA 154 is inviting you out to the Disley airstrip April 27th, the town of Disley will be holding their annual breakfast at the town hall that day 10:00 to 12:30.

We are encouraging people to attend the breakfast as the town has been very supportive of our fall fly-in, providing the tables, chairs and other items to make our event a success.

It is a 10 minute walk into town from the airstrip. As well Ron and Vic will be available to ferry people back and forth.

EAA 154 Meeting May 3rd Disley CDS2

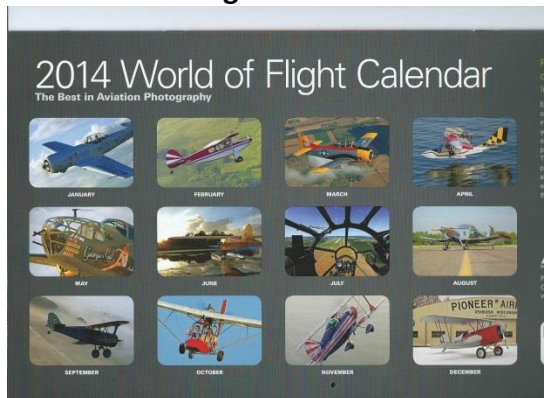

The coffee pot will be on at the Disley airstrip 9:00 to 12:00 Saturday May 3rd.

Information will be available on the EAA and our plans for the year but no formal meeting.

Everyone is invited to come out for a coffee and meet with fellow aviation enthusiasts.

Fly-in or Drive-in attendees welcome.

EAA World of Flight Calendars

We still have some EAA World of Flight Calendars for sale. This year for the low price of \$10 each.

To get your copy contact Bert.

The remaining calendars will be sold at a discount price at the April 27th and May 3rd Disley events.

Flight 154 2014 Membership is now due

Just a reminder that memberships are now due for the coming year, the dues this year remain at \$25 and dues can be sent to Bert Hamilton BOX 191 Lumsden SOG 3C0 or paid in person at the Jan meeting.

Note: EAA national has requested we provide a members list with the member's EAA membership number. If you could provide your national membership number when renewing it would be appreciated.

Stits Covering Manual required

Ken Dyck was a member of EAA 154 many years ago. Ken is now living in Milton, ON.

He needs a Stits covering Manual 1975 or earlier to help him in his discussions with transport Canada. Please call him at 905-878-4017 if you can provide this manual. It will help him get his airplane back in the air. Thanks.

Darryl Zubot's Virus Completed

At last fall's Disley fly-in many of you were admiring the sleek lines of Vic's nephew's Pipistrel Virus which was under final construction.

As seen in the banner picture the Virus is now complete and flying. First flight was on a chilly February 8th. There were a few tense moments due to a fuel filter issue but all snags have now been fixed and the aircraft has been relocated to its home base near Edmonton.

Congratulations to Darryl on completion of a beautiful aircraft.
